

2016

Konferenspresentationer, posters och abstracts

Annerbäck EM

9:e nordiska konferensen om Barnmisshandel och Omsorgssvikt i Stockholm 2016
"Mobbning i Sverige - Bakgrundsfaktorer och samband med självrapporterade hälsoproblem"

Björksved M

Forskningsrapport/ föreläsning vid Ortodontiassistent konferens 21-22/4 2016 Hotell Clarion Sign, Stockholm

Björksved M

Posterpresentation på Nationellt Forum för Odontologisk forskning 25-26/4 2016, Malmö

Fredriksson Kaul Y

Smooth pursuit eye movements at 4 months are associated to IQ at 6 ½ years in very preterm boys
Posterpresentation: 3/4-3/5 2016, Pediatric Academic Society kongress, Baltimore

Fredriksson Kaul Y

Point of peak velocity during reaching at 8 months is associated with ratings of attention and hyperactivity at 6 ½ years in children born very preterm
Posterpresentation: 3/4-3/5 2016, Pediatric Academic Society kongress, Baltimore

Liljeroos M, Stromberg A and Chung M

Patients and caregivers symptoms of depressive symptoms mediate the relationship between perceived control and well-being. E J Cardiovasc Nurs. Vol 15, Issue 1_suppl, 2016, EuroHeartCare 2016

Liljeroos M, Stromberg A and Chung M

Do patients and caregivers perceived control impact depression and well-being in patients with heart failure and partners? E J Cardiovasc Nurs. Vol 15, Issue 1_suppl, 2016

Montgomery C

Motor Performance during the first year in very preterm infants later diagnosed with cerebral palsy or autism.
Posterpresentation: 3/4-3/5 2016, Pediatric Academic Society kongress, Baltimore

Nordgren, L. & Söderlund, A.

Impact of encounters with healthcare professionals on perceived ability to return to work in people on sick leave due to heart failure. EuroHeartCare 2016. 15-16 April 2016. Aten, Grekland.

Bjurling Sjöberg, P., Wadensten, B., Pöder, U., Jansson, I., & Nordgren, L.

Balancing intertwined responsibilities: A grounded theory study of collaboration in everyday ICU practice. Nordic Conference in Nursing Research: Methods and Networks for the future 2016. 15-17 juni 2016. Stockholm.

Nordgren, L. & Engström, G.

Dog-assisted intervention in dementia care: A case study. Nordic Conference in Nursing Research: Methods and Networks for the future 2016. 15-17 juni 2016. Stockholm.

Nylander C, Tindberg Y, Haas J, Swenne I, Torbjörnsdotter T, Åkesson K, Örtqvist E, Gustafsson J, Fernell E

Executive problems in adolescents

with type 1 diabetes are associated with poor metabolic control and low physical activity. *Abstrakt till ISPADs (International Society for Pediatric and Adolescent Diabetes) europeiska kongress oktober 2016.*

Peolsson A, Peterson G, Landén Ludvigsson M.

Oral presentation, **Presenter:** Peolsson A, **Peterson G.** Rehabilitering vid långvariga besvär efter whiplashskada. REHSAM konferens, Stockholm 160210

Peterson G, Nilsson D, Trygg J, Falla D, Dederig Å, Wallman T, Peolsson A.

Novel insights into the interplay between ventral neck muscles in individuals with whiplash-associated disorders. REHSAM konferens, Stockholm 160210. Poster presentation. **Presenter: Peolsson A, Peterson G.**

Peterson G, Nilsson D, Peterson S, Dederig Å, Trygg J, Wallman T, Peolsson A.

Changes in dorsal neck muscle function in individuals with chronic whiplash-associated disorders: a real-time ultrasound case-control study. Regional konferens i Fysioterapi, Linköping 160414. Oral presentation. **Presentatör: Gunnel Peterson**

Peterson G, Nilsson D, Peterson S, Dederig Å, Trygg J, Wallman T, Peolsson A.

Changes in dorsal neck muscle function in individuals with chronic whiplash-associated disorders: a real-time ultrasound case-control study. FOU dag Sörmland, Eskilstuna 160419. Oral presentation, presenter G Peterson **Presentatör: Gunnel Peterson**

Landén Ludvigsson M, Peolsson A, Peterson G, Dederig Å, Johansson G, Bernfort L.

Cost-effectiveness of neck-specific exercise in the treatment of chronic whiplash associated disorders. IFOMPT conference, Glasgow, Scotland 4-8/7 2016. Oral presentation: Landén Ludvigsson

Landén Ludvigsson M, Peterson G, Dederig Å, Peolsson A.

Two-year follow up of a randomized clinical trial of pain and disability following neck-specific exercise in chronic whiplash associated disorders. IFOMPT conference, Glasgow, Scotland 4-8/7 2016. Oral presentation: Landén Ludvigsson.

Peolsson A, Landén Ludvigsson M, Peterson G

Neck-specific exercises reduce disability and improve health-related quality of life in individuals with chronic whiplash-associated disorders compared to being on a waiting list for physiotherapy IFOMPT conference, Glasgow, Scotland 4-8/7 2016. Poster presentation: Peolsson

Peolsson A, Peterson G, Trygg J, Nilsson D.

Altered mechanical deformation of the trapezius and multifidus muscles registered with ultrasonography in women with chronic whiplash-associated disorders. IFOMPT conference, Glasgow, Scotland 4-8/7 2016. Poster presentation: Peolsson.

Barbero M, Peolsson A, Peterson G, Landén Ludvigsson M, Soldini E, Schneebeli A, Falla D.

Association between pain extent and health status in whiplash associated disorders IFOMPT conference, Glasgow, Scotland 4-8/7 2016. Poster presentation: M Barbero.

Peolsson A, Karlsson AK, Elliott JM, Borén H, Peterson G, Landén Ludvigsson M, Dahlqvist Leinhard O.

Increased fatty infiltration in the right sternocleidomastoid muscle in individuals with extensive neck disability due to chronic whiplash associated disorders. World congress on pain (IASP), Yokohama 26-30/9 2016. Poster presentation: Peolsson A.

Peterson G, Nilsson D, Peterson S, Dederig Å, Trygg J, Wallman T, Peolsson A. Differences in dorsal neck muscle function in individuals with chronic whiplash-associated disorders compared to healthy controls: a real-time ultrasound case-control study. World congress on pain (IASP), Yokohama 26-30/9 2016. **Poster presentation: Peterson G.**

Barbero M, Peolsson A, Peterson G, Landén Ludvigsson M, Soldini E, Schneebeli A, Falla D. Association between pain extent and health status in whiplash associated disorders. Congrès douleur SSED Nov 25, 2016 à Lausanne, Schweiz.
